"We associate Nursery Rhymes and Fairy Tales with childhood and the period of life in which we grow up. After the growing up period ends, the rhymes and tales are placed in memory's storehouse, intermingled with the memories of happy experiences of other days. The older one becomes, and the farther removed we are from childhood and youth, the more these early experiences take on the qualities of tales which we shall always treasure and enjoy whether they be fairy or otherwise."

Luther A. Lockwood.

PRINCIPAL

"Thinking of the theme presented in the Log this year takes one back to the nursery rhymes of old. Today, even though living in an atomic age with an uneasy feeling for the future, we have our old King Coles, Bo Peeps and even a few Simple Simons in all walks of life. Let us attain through education and clean living a true sense of duty, happiness, and contentment that the nursery folk have implanted upon the human soul."

HONOR SOCIETY

One of the finest laurels that can be bestowed on a high school student is for him to be selected as a member of the National Honor Society. To be eligible for membership, the student must excel in four fields: character, scholarship, leadership, and service. He must have the recommendation of several members of the faculty, be in the upper one-third of his class, have an 11A, 12B, or 12A class rating, and be chosen by the special committee of teachers and the principal. This year the total membership is 50.

The officers for this year are Harold Hoeferkamp, president; Shirley Barnett, vice-president; Howard Crussel, secretary; Don Scheidt, sergeant-at-arms. Miss Maude Davis serves as treasurer and sponsor for this organization.

QUILL AND SCROLL

The highest goal which a journalist in CHS seeks and hopes to attain is to be recognized as a member of Quill and Scroll. This year 14 members of the Log and Triangle staffs were accepted into this national journalistic honorary society. To be eligible for membership the student must have done outstanding work on the school yearbook or newspaper, be a junior or senior, must be in the upper one-third of his class scholastically, and be approved by the national secretary. Stewart Huffman is president.

THESPIANS

Although most every high school dramatist is desirous of becoming a member of the National Thespian Society, only a very few attain this goal. One must have taken a major role in a three act play, taken two major roles in one act plays, minor roles in one act plays, or rendered outstanding service in some other capacity.

Officers for the first semester have been Philip Zaring, president; Joyce Ann Kelly, vice-president. For the second semester Ellanor Pruitt and Don Collins have served as president and vice-president. Miss Mildred Murray acts as sponsor for the group.

"C" CLUB

"C" club is one of the two clubs in high school devoted to athletics. The membership is limited to those boys and girls who have been awarded block "C's" for their outstanding participation in athletics. Student managers and cheer leaders are included.

The organization has numerous activities dealing with athletics. One of the foremost of these is ushering at the home football and basketball games. This year for the first time the ushers at the basketball games wore special green sweaters with the yellow letters "Ushers", making the boys more easily recognized. They also distributed programs at the home football games.

The club also manages the grade school tourneys, providing the coaches for the various teams, referees, and other officials. They also manage the concessions at the industrial league basketball games.

Several of these athletes are Lewis Essex and Dick Rutan, who served as president and vice-president respectively for the first semester. The second semester Jim Foulke served as president with Bob Adams as vice-president. Mr. Glenn Adams serves as advisor.

Usher! Usher!

AIDETTE AMICALES

Again this year the Aidette Amicales have sponsored recreation for CHS students in several ways. The most popular events were the dances presented after the home football and basketball games. Music for these dances was furnished partly by dance bands and partly by records. There was a new type of dance presented this year—the "Sock Hop", with a prize awarded to the person wearing the most distinctive type of footwear. Their record dances, introduced for the first time this year, also proved to be a definite success.

The president and vice-president for the first semester were Judy Wilkes and Diane Sohn; the second semester, Diane was president and Burdette Graham vice-president. Miss Josephine Armuth serves as sponsor for the organization.

GIRL RESERVES

Girl Reserves is one of the most active service clubs in high school. The members serve as assistants to the Dean of Girls and to the school nurse, helping to aid them as much as possible in their many duties. During Christmas time the Girl Reserves furnish and decorate a large Christmas tree in the main hall. They also collect clothing at this time which is distributed to the needy children, and present large baskets of fruit with their "best wishes" to less fortunate families and individuals. With acts of this caliber the club certainly justifies its existence and fulfills its purpose, which is to help its members learn to face life squarely, to find and give the best, and to help others.

Sue Jane Routh is president; Carole Nolting, vice-president; Barbara Baldwin, secretary; Marilyn Green, treasurer; Donna Sue Smith, sergeant-at-arms; Shirley Stuckey, chaplain. Miss Alta Redmond assists as sponsor.

STUDENT ASSEMBLY

The Assembly, reorganized this year, is to provide a better representative type of student government. A student was chosen from each home room to act as representative for his particular group in speaking to the Assembly.

A code of ethics for students while in the school buildings was presented at the beginning of the year. This was drawn up by the members of the Assembly and accepted favorably by the student body.

The main goal of the organization this year has been to contribute financially to a fund from which money will be taken to install a public address system in the high school. To accomplish this, the Assembly operates a popcorn machine in the basement of the main building and manages concessions at the home football and basketball games. A system has been set up by which the

various clubs distribute the concessions one night each at home games.

From the profits which are realized from the operations of their two projects, the Assembly receives 25%, the Principal's Fund 25%, and 50% is presented to the Public Address System Fund.

An all school fair was sponsored by the group in the spring. Booths set up in the halls and gym were decorated and operated by the various clubs in high school with profits going to the Public Address System Fund.

Don Burns has led the Student Assembly as president; Marilyn Green, vice-president; Joy George, secretary; Harold Hoeferkamp, treasurer; Joyce Ann Kelly, assistant treasurer; Jim Dietz, sergeant-at-arms. Miss Edna V. Folger and Mr. Herbert Reese are the faculty advisors.

AMIGOS HI-Y

To create, maintain, and extend throughout the school and community high standards of Christian character is the creed of all the Hi-Y clubs throughout the United States. This year the Amigos Hi-Y, a club of freshmen, newly organized in September of 1949, was able to take this creed as the goal of the club in the school and community.

Leading the club through their first year are officers: Alton Chaney, president; Jerry Hilycord, vice-president; John Quilleon, secretary; Joe Swope, treasurer; Randy Bridges, sergeant-at-arms; Gary Lindsey, chaplain. Mr. Anthony Mitchell is faculty advisor.

SOUVERAIN HI-Y

Souverain Hi-Y was created in the spring of 1949 from a group of freshman boys. These boys, now sophomores, have gone a long way in making their individual standards equal with those of the Hi-Y platform . . . clean speech, clean sports, clean scholarship, and clean living. As this year's revenue project the club sold Bulldog pins and blue and white caps with Bulldogs on them.

The sophomore leaders of the club are Tom Lockwood, president; Jim Potts, vice-president; Tom Conlin, secretary; Mickey Dugan, treasurer; Buddy Reno, sergeant-at-arms; Buryl McFadden, chaplain. Mr. Gerald Quilleon sponsors the club.

HI-Y

Hi-Y, a leading service club in high school, seems to be constantly at work on new projects designed for the betterment of the school and community. The week school opened, Hi-Y was ready and waiting to take charge of the second-hand book turnover in their book store set up for that purpose several years ago.

Demonstrating their interest in worthy causes, the club again conducted their annual T.B. Penny Line in the main hall, which rated the seniors as the most generous class. The boys also passed the blanket at a basketball game to collect coins from the fans for use against tuberculosis. Another of the club's services is to regulate the hall and stair traffic between classes. With the exceedingly large number of students enrolled in school this year, this service is indispensable.

This year's officers are Lewis Essex, president; Dick Rutan, vice-president; Bob Gaskill, secretary; Philip Zaring, treasurer; Bob Hilycord, sergeant-at-arms; Marvin Atkinson, chaplain. Mr. William Drake is the advisor.

Sole Sodal is one of three such clubs which has as its main purpose the spreading of sunshine. Cooperating with the other two clubs the girls helped in the Bake Sale and the selling of plastic food bags. The formal initiation of the three organizations is held each semester in the chapel of the Christian Church. Many teachers, parents, and friends of the girls attend these services and consider them very impressive.

The social calendar of the club is a crowded one. Several of the parties include a fall outing, a Valentine dance, and the annual Ideal Ladies' Tea.

Leading this active organization are Colleen Guthrie, president; Willene Ritter, vice president; Marilyn Greathouse, secretary; Estella Setser, treasurer; and Anna Grow, sergeant-at-arms. Miss Katherine Dougherty advises the group.

This year the State Sunshine Society is celebrating its fiftieth anniversary, and the Columbus chapter of this statewide organization is sending a delegation to the annual convention. This is only part of the activity which the local Sunshine chapter enjoys. The girls help the guidance director each period in that office.

An interesting project is "Ideal Ladies". Each girl chooses an older woman as her ideal, the name of the girl remaining unknown to the ladies. The girl then sends cards and gifts to her ideal. Then at an annual party held in the spring the lady discovers who her admirer has been.

Leaders this year are Phyllis Epperson, president; Emma Mae Harrell, vice president; Lucille Schaefer, secretary; Eva Mae Thompson, treasurer; Miss Mildred Maley, advisor.

Sunbeams is one of the several newly organized clubs in high school this year, and its membership is composed entirely of freshman girls. The girls cooperate with the other two Sunshine clubs of the school in money-making projects. This year the clubs sold plastic food bags and held a bake sale.

The profits are pooled with the money collected from such clubs throughout the state and is used to furnish scholarships for five State Sunshine Society members who plan to study nursing at Riley Hospital in Indianapolis. The remaining amount is presented to the Riley Hospital Fund.

Several leaders in the group are Nellie Mann, president; Gerry Burnett, secretary; Mary Burnett, treasurer; Jackie Griffin, reporter. Miss Mildred Maley serves as the advisor for the club.

DRAMATIC CLUB

The Dramatic Club can again proudly boast of another most impressive year in the field of dramatic art. "The Barretts of Wimpole Street" was presented in February and acclaimed by many to be one of the finest three act plays yet presented by the group. The club gave a one act play before Thanksgiving vacation called "The Howl of the Wolf", and they presented two such plays during the Christmas holidays—"Ye Who Sit by the Fire", given before the student body, and "Puppy Love", presented before various social groups in the community.

Miss Mildred Murray, sponsor of the group, gives much time and advice in directing their staged efforts. Miss Elsie Butler also serves the club as advisor and sponsor. Philip Zaring is president; Ellanor Pruitt, vice president; Burdette Graham, secretary; Marilyn Ostick, treasurer; Don Collins, sergeant-at-arms; Jayne Carmichael, historian; Marianne Hilger and Robert Simpson, Jr., directors.

PROJECTION STAFF

The outstanding visual-education program of our school has been made possible to a great extent by the capable and efficient projection staff under the direction of Mr. James K. Kelly. Hardly a day passes when there are no classes witnessing films in the auditorium.

Room 6 serves as headquarters for the staff when meetings are called. Though there are no officers, Pat Sullivan serves as head projectionist.

Fifinellas is another one of the several clubs which are newcomers to our school

this year. The purpose of the club is to benefit the community and school so that better friendship might be established between each.

One of the first projects of the girls is to furnish transportation for students to and from out of town basketball games. The girls also collected contributions from downtown shoppers for the Red Cross and Polio drives.

Helen Denny is president; Miss Ruth Barrows, sponsor.

LOG STAFF

Those individuals who are selected to be on the "Log" always consider themselves honored. Their tasks, though many, are not thought of as being laborious in the least, and fun and companionship go into making up such story books as this. This year, during Thanksgiving vacation, eight of these journalists, accompanied by Miss Betty Davis, attended the National Scholastic Press Association convention in Chicago, adding to their skill of year book editing.

This year the Log staff is headed by co-editors Shirley Barnett and Dick Shepherd. Other members of the editorial staff are Joy George and Philip Zaring, activities; Jim Foulke and Tom Howell, sports; Lewis Essex and Darrell Steinkamp, art. Miss Davis is editorial advisor. Miss Edna V. Folger is business advisor. This staff is composed of Carol Ritter and Harold Hoeferkamp, advertising; Nancy Cory and Ed Beeker, promotion; Marilyn Green and Evelyn Meyer, business.

Although not considered major staff members yet, Ellanor Pruitt and Dr. y- junior editors; Charles Gilbert, editor; and John Essex, freshman, serve bright medals for their many work.

TRIANGLE

Improved Triangle was presented to the student body this year. The purpose of the paper is to be the third corner of the student body with the other two corners being the student body and faculty respectively. In this manner it serves as a median between the two other groups.

One of the big events of the school is the choosing of the ten outstanding seniors by the student body. This is conducted by the Triangle this year.

The sports department featured a poll to determine the opinions of several sports minded students on the outcome of the major high school basketball games. The paper also compiled and published the Student Directory and the Senior Class Play programs.

Leading the Triangle team are: Editor-in-Chief and Photographer, Stewart Huffman; News Editor, Bob Welmer; Sports and Feature Editor, Bonnie Reece; Exchange Editor, Burdette Graham; Copy Editor, Janet Gwin; and Co-Business Editors, Richard Handley and Smith Snively.

FORUM

Each morning, as a beginning of their duties to the school and the community, Forum is responsible for the raising of the flag on the north lawn. This has grown to be a tradition and stands for one of the most appreciated gestures shown the school. A collection of facts concerning the mighty Bulldogs are compiled and presented to the local basketball fans in book form each year by the club. Proceeds from this project are used to finance the club's necessary expenditures met throughout the year.

Since 1911 Forum's skull and crossbones on black sweaters have been worn proudly by many of our leading graduates. Their promotion of parliamentary procedure and debate has always been foremost in the organization's program.

Charles Lentz and Chester Wiese acted as president and vice president the first semester. Jim Foulke and Dick Shepherd have filled these offices the second semester. Mr. Raymond Scott assists in the club's activities.

Top Row: B. Line, J. Ferry, J. Ortlieb, L. Wright, B. Hilger, J. Tovey, B. Kelly.

Sorosis is what one might call the "literary club" of CHS. The girls present reports on a variety of outstanding magazine articles, followed by debates and discussions concerning them. Their mastery of parliamentary procedure is known to rival that of any other organization in school. This fact is illustrated by the Sorosis pin, which is a silver gavel.

Scholarship has been one of the necessary requirements of membership since the organizing of the club in 1916. This fact is displayed by the "wise ole owl" emblem worn on the girls' sweaters of forest green. To award scholastic achievement a fifty dollar scholarship is presented to one of the club's college-bound seniors.

Margaret Ann Reynard and Bonnie Reece served as president and vice president as a result of the first of three yearly elections. Bonnie Reece and Dalene Dudley carried on for the second election term, with Susan Jane Phillips and Nancy Cory serving as president and vice president for the third election period. Miss Mildred Murray is serving her 26th year as faculty advisor for the Sorosites.

CHESS CLUB

"To teach the power of concentration, orderly and logical thinking, and good sportsmanship." That is the purpose of the Chess Club, one of the newer clubs in school, having been organized in September of 1948. Along with their regular work, the boys hold a tournament each year which determines the champion of the organization. A few of these chess enthusiasts are Robert Clark, president; Mickey Dugan, vice president; Robert Smith, secretary; Charles Briggs, treasurer; Richard Handly, sergeant-at-arms. Mr. James K. Kelly sponsors the club's activities.

WRITERS' CLUB

The Writers' Club, first organized in the spring of 1950, shows that among other things students are interested in developing creative literary culture. This group specializes in composing poetry and prose for the enjoyment of doing so. However, each member is requested to submit examples of his work to any magazine or newspaper which he feels would be interested in publishing his efforts. Membership to the organization is open to any student truly interested in this type of diversion. There are no officers; however Miss Marjorie Lewis guides and supervises the group's activity.

P. H. C.

"Muscles, like the edge of a sword, grow dull with dis-use." This is the motto of the Pat Hanson Club, organized in 1923 by Miss Eloise Hanson who was a physical education instructor at the time. Since then the club has grown to become one of the most active in the school. The aim of the organization is to promote girls' athletics and recreation in CHS.

One of the big prospects of P.H.C. is to operate the check rooms in the gymnasium during the basketball games. Part of the profits from this are used to purchase the equipment used in the "game room".

Leading this ambitious bunch are Martha Ann Dickey, president; Diane Sohn, vice president; Bonnie Reece, secretary; Margaret Ann Reynard, treasurer; June Frazier, sergeant-at-arms; Miss Euzetta Foster advises the club in their activities.

FUTURE FARMERS OF AMERICA

Future Farmers of America, Sr., was created in CHS in 1934 to develop agricultural leadership, cooperative effort, citizenship, thrift, and scholarship in those boys who were interested in vocational agriculture. Among other things the boys held a seed sale this year with the Junior club to provide money for the organization's needs. One of the big social events of the year for them was their Barn Warming where Norma Van Est ruled as queen.

Officers are Don Scheidt, president; Bill Settle, vice president; Joe Dailey, secretary; Bill Taggart, treasurer.

Future Farmers of America, Jr., composed of freshmen and sophomores, was organized this year to give further expansion to the club's facilities. One of its unique projects is the annual presentation of a pig to one of its outstanding sophomores.

Both groups were well represented at the National Future Farmers of America Convention held at Kansas City, Missouri, and at the National Dairy Show in Indianapolis.

Officers for FFA, Jr., are Charles Jackson, president; Gene Wint, vice president; David Gant, secretary; Robert Hoeltke, treasurer. Mr. Wilbur Clark is faculty sponsor for both groups.

FUTURE HOMEMAKERS OF AMERICA

Almost every girl looks forward to eventually settling down and having a husband, children, and a good democratic home. Future Homemakers of America is an organization which primarily stresses every phase of home life.

One of the major activities of the club is the Fashion Show, this year held in January. The girls modeled the clothes that they had made in the home economics classes before their mothers and friends. After the style show a tea was held in the home economics rooms.

Another interesting project is the sending of a package to a French home economics class. The package contains buttons, needles, thread, various fabrics, different varieties of food, etc.

Each May the organization presents an award to the outstanding senior home economist. The club was well represented at the state convention in New Albany and the regional convention in Columbus, Ohio.

Leading these active girls are Delores Spalding, president; Betty Tempest, vice president; Ada Holcomb, secretary; Mary Rothrock, treasurer; Maxine Rittman, reporter; Pauline Everroad, parliamentarian, and Patricia Riley, song-leader. Mrs. Willard Schwartzkopf acts as chapter mother, and Mrs. Howard Love serves as advisor.

SKETCH CLUB

All of us at one time or another have looked at a scene of natural or man made beauty and have wished for powers which would enable us to reproduce half its beauty to a piece of canvas or paper, so that it would stay with us always. For most of us this remains a wish. For some it is a natural talent. Our art department promotes and develops such talents by means of the many courses offered.

In 1924 the Sketch Club was organized by Miss Lillian Volland to develop in these art students an appreciation of the arts and crafts in the school and community. Since

this date the club has taken many trips to art and craft exhibitions in many parts of the state and have received a great deal of inspiration from such journeys.

Social highlights of the club included a fall outing, a formal Christmas dance, a spring treasure hunt and party, and the annual spring breakfast for the seniors.

The officers of the club are Bob Taylor, president; Ed Larrison, vice president; Gloria McClintoc and Howard Harlow, treasurers; and Mr. Carl McCan, who advises the club in their activities.

FUTURE TEACHERS OF AMERICA

For those students who are interested in the teaching profession, CHS has added a new club to its activities program—the Donald DuShane Chapter of the Future Teachers of America. The national high school and college organization is directed by the National Education Association. The club was presented with its charter at convocation by Mr. Judson Erne in November.

A few of the charter members are Priscella Wallace, president; Don Carmichael, vice president; Virginia Fravel, secretary; Jackie Bellamy, treasurer; Janet Barranger, librarian. Miss Betty Davis serves as advisor.

FUTURE BUSINESS LEADERS OF AMERICA

Business leaders in the community have appeared at many meetings of this organization offering suggestions to the members regarding business ethics, interview procedures, and operating policies of various companies. In the organization are found students who are interested in management, secretarial, and clerking.

Several of these business leaders are Bob Donica, president; Marvin Walker, vice president; Dica Willoughby, secretary; Laverne Meyer, treasurer; Mary Jane Bruning, reporter; and Mr. Roy Otte, who serves as sponsor.

PIERIAN LEAGUE

This year the Pierian League had the honor of being host for the 1950 convention of the Indiana State Junior Historical Society. The affair was actually a full-fledged convention with guest speakers, reports, exhibits, and the banquet at the day's close.

The purpose of the organization is to acquaint itself with the folklore and beauty of our country by means of historical pilgrimages and historical readings. Each spring the club takes a trip to some point of unusual historical interest in Indiana or to one in a neighboring state.

The leaders of the club include Bill Hamilton, president; Lavonne Betz, vice president; Cortes Perry, secretary; Mary Dutro, treasurer; Fred Meyer, sergeant-at-arms. Miss Marjorie Lewis and Miss Jeanne Anderson are the faculty advisors.

SCIENCE CLUB

The Science Club is one of this year's newcomers to CHS. The club was organized in October of 1949 to further the interest of science beyond the classroom. At the meeting experiments are performed by members to better acquaint themselves with science at work. The club also has toured several local factories to further this aim.

Several of the charter members are Fred Meyer, president; Joe Daily, vice president; Jeanne King, secretary; Carl Eckleman, treasurer. Mr. Merrill J. Webb serves as sponsor.

Standing: F. Meyer, B. Taylor, R. Parker, N. Miller, D. McPeck, R. Wampler, J. Schroer, K. Harris, P. Durbin, W. Densford, C. Eckelman, R. Carson, Mr. Merrill Webb.

SOCIAL SCIENCE

The purpose of the Social Science Club, sponsored by Mr. Wells Fish, is to further the interests in social and civic problems of today. One of the outstanding ventures of the club is to conduct the Joseph B. Anderson Oratorical Contest. Meeting time is spent in active discussion concerning social and

political problems of international and national scope.

We're mighty proud of those new uniforms!

BAND

New uniforms for the CHS band were one of the biggest additions to the high school music department. The uniforms, black in color with a blue and a gold trim, were first displayed at the opening football game of the season.

Another big event for the organization was their first participation in the Good Neighbor Festival which was held at Greensburg in November. The other participants were all members of the South Central Conference, excluding Southport. Next fall the club has the honor of being host to the festival bands.

The Band, under the supervision of their director Mr. Brad Chaffin, presented three concerts at the gymnasium and participated in the district music contest.

There are no formal officers; however Pat Sullivan serves as band captain, and Ann Gordon and Dick Echard served as lieutenants. Mr. Roger Helman serves as assistant director.

A CAPPELLA

One of the big events A Cappella choir undertook this year was being an able host to seven other high schools at a musical festival held at the high school in April. This, however, was only part of the organization's activity. The choir presented over a dozen special programs and Christmas programs before church and service clubs.

The choir also participated in the district music contest held this year at Bloomington. The organization played a large part in the annual concert held in May by the music department.

A Cappella choir is chosen at the beginning of each school year by Mr. Brad Chaffin, the choir director. The only requirement is that the candidates have previously been in one of the other choirs at least one

semester. Then the candidates are given tests to determine the best singers. Classes are held during regular school hours two days a week, and one-half credit is given for a completed semester's work.

ARTISTS

The Artists club is another one of the new clubs in high school, being organized in September of this year. The membership is composed of those students who are actively interested in music. The organization is composed of two groups—one meeting with the blue clubs, the other with the white. Both groups are pictured above.

The main purpose of the club is to teach the members how to perform properly and effectively before an audience. During the meetings the members perform and receive

constructive criticism from fellow members. In case there is a call for music department members to perform before some organization, the members on the current program are called upon.

John Stearns and Delores Spalding are president and vice president respectively of the white club, while Phyllis Epperson is president and Mary Alice Patton vice president of the blue club.

Mr. Brad Chaffin and Mr. Roger Helman sponsor the two groups.

SYMPHONETTE

The symphonette, under the direction of Mr. Roger Helman, is quite an active organization in our school. In the series of city-school sponsored radio programs the orchestra has given three performances. Again this year, as customary, the organization displayed its talents between each scene and act in the Dramatic Club play, "The Barretts of Wimpole Street" and the senior class play, "Seventeenth Summer".

In March the symphonette presented a concert in the gymnasium which was highly appreciated by those who attended. In the state and district contest this year, Mary Ann Barnaby, Phyllis Ann Epperson, and Mary Alice Patton won first in the District and first in the State Violin Trio. Violin Soloists, Mary Ann Barnaby, Mary Alice Patton, and James Lurie, first in District and State.

The Symphonette each year furnishes a musical background for the commencement exercises in many of the Township schools, as well as for our own Baccalaureate and commencement programs.

Every year the Triangle sponsors an "outstanding senior" contest selecting 10 boys and girls from the Senior Class. This year 5 tied for ninth place, making 14 winners. Pictured on this page are Martha Ann Dickey, Bonnie Reece, Burdette Graham, Dean Wiseman, Philip Zaring, Marilyn Green, and Shirley Barnett.

Every student was eligible to vote. The winners' write-ups and pictures were in following issues of the Triangle. The top boy was Lewis Essex. On this page we find Lewis Essex, Don Scheidt, Dick Sheperd, Bob Hilycord, Charles Lentz, Stewart Huffman, and Buryl Line.

The Senior Class of 1950, 259 strong, is one of the largest to graduate from Columbus High School. In this group are many fine leaders, students, and athletes. As their leaders, the senior class elected Buryl Line, president; Charles Lentz, vice president; Bonnie Reece, secretary, and Shirley Barnett, treasurer. Taking the lead scholastically are Wanda Bayne, Nancy Hill, and Jesse Newsom. Many senior athletes have brought honor to CHS in the form of South Central Conference awards and trophies in football, basketball, golf, tennis, track, and cross country.

The climax to their junior year was the Junior Prom, depicting the New Orleans "Mardi Gras". This class was the first to have an "after prom party" at Donner Center. This was made possible by the parents of the juniors and seniors.

The guidance department has staged a number of vocational guidance meetings in which the seniors have participated and have been counseled in problems of the future. College day, an annual event, brought representatives from various colleges to answer the many questions of the seniors planning to enter different colleges and universities in the fall.

The class play "Seventeenth Summer", the prom, Baccalaureate, Commencement, and class day ended a very outstanding senior year.

JUNIOR HIGHLIGHTS

The class of "51" includes a number of outstanding students varying in all fields of activity.

Don Burns, Hugh Newsom, Don Meyer, Bob Buckner, Ross Higgins and Paul Martin are active in several sports. They are making a good show for their class.

Scholastically Donald Hoeferkamp leads the field with close to an A+ average.

As the curtain goes up on our school plays we see Joyce Ann Kelly and Ellanor Pruitt taking leading roles.

The junior class, sponsored by Miss Alta Redmond, always has a good time around November electing class officers. Candidates are first nominated and then voted on at a later date. There is much campaigning and a real battle for the offices. The main duty of the officers is preparing for the Prom, which is one of the biggest affairs in our high school career. Wasn't the theme a wonderful one this year? Dancing in the middle of a jungle was so thrilling and the decorations were just perfect with leaves and animals all around! I'm sure this Prom of the "51" class was the best ever.

Standing: Norma Vanest, Bill Settle, and Miss Alta Redmond.

SEYMOUR

GET 'EM DOGS, GET 'EM!

The fans are as much a part of the local athletic scene as the athletes who participate in the sports. The yell leaders who have led them this year are Diane Sohn, Roselyn Critzer, Alberta Buxton, and two newcomers, Don Voelz and Fred Fouts.

Columbus High School has gone through another successful athletic season. They have had winning seasons in football and basketball, been awarded the South Central Conference crowns in track and golf, made a clean sweep in tennis, and have shown promise in baseball.

The girls, not to be outdone, played some mighty good basketball, volleyball, deck tennis, and softball.

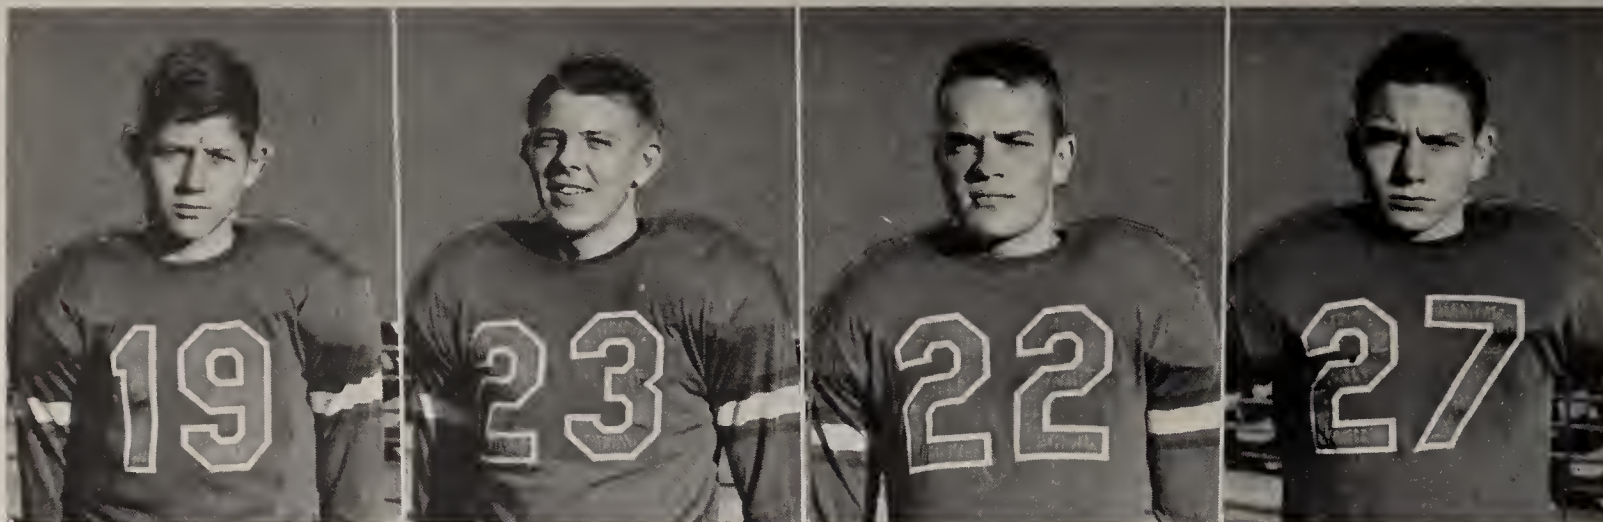

Senior Student Managers: Chester Weise, Jerry Denny, Bill Meyer, Jim Foulke, Dean Wiseman.

THE MEN BEHIND THE GAME

The fine coaching staff consists of: Basketball, Mr. James Beers, Mr. Woodrow Fleming, Mr. Raymond Scott; football, Mr. Robert Johnson, Mr. Gerald Quilleon, Mr. Scott; baseball, Mr. Fleming; track, Mr. Quilleon, Mr. Johnson; golf and tennis, Mr. Glenn Adams; cross country, Mr. Beers.

The governing body of CHS athletics is the athletic board. It consists of Mr. Noel Genth, athletic director; Mr. Frank Newsom, Mr. Luther A. Lockwood, Mr. Glenn Adams, and Mr. Judson Erne. They do the scheduling and make the arrangements for the various athletic events.

GRIDIRON CLOSEUPS

A standing-room-only crowd of early season fans beamed approval of Coach Bob Johnson's Columbus Bulldogs as they slaughtered the Franklin Grizzly Cubs 40-0. The Canine's "double threat" of left half Charlie Lentz and right half Don Burns combined their talents for 307 yards and 32 points.

Passing ability was the dividing line between a good team and a great team when the New Castle Trojans took a 27-6 decision from the local Canine eleven. The running

of All-State halfback Jerry Ellis, and the passing of their giant quarterback, Dick Whalen, were the spectacular highlights of the game.

In a game that was typically a Columbus-Seymour battle, Coach Bob Johnson's local eleven outlasted a scrappy Owl aggregation by a score of 13-0. This is the first game in three years that the Columbus gridders have not tied the Seymour football men. Dick Shepherd's arm was powerfully accurate for both TD's.

The fourth game was played against Shelbyville. The offensive attack was too much for the Golden Bears as the local high school gridders rolled up a total of 392 yards and 20 first downs for a score of 32 to the loser's 6.

The Bulldogs of Columbus, rated an underdog against the Bloomington Panthers, gained a 12-12 tie with the College City boys. Playing one of their best games of the season, the Bulldogs capitalized on every opportunity and battled to a 12-12 verdict.

BULLDOGS ON THE MARCH

The Columbus Bulldogs racked up win number 4 against the Lions of Rushville with Don Burns running as the spark of the game. The junior halfback accounted for one touchdown and 128 yards in 19 tries. Running up 11 first downs and connecting on 4 of 8 passes for 54 yards and the other touchdown, the Canine varsity won 14-0.

Taking the field as a 4-touchdown favorite, the Columbus Bulldogs eked out a 13-7 decision over the Greensburg eleven. The Bulldogs pushed across a touchdown on

a series of plays set up by a pass interception by senior halfback Charles Lentz. The only department in which the Dogs led the visitors was in penalties.

The lacking Columbus offense and a powerful Connersville defense told the story of the 6-0 loss to the Spartans and the SCC Championship. The "workhorse" of the evening was Earl Chaney, the 190 pound tackle who turned in a remarkable job at that position.

Four Against One

Seymour Owls, always a rough team against Columbus, are shown closing in on halfback Charles Lentz.

The Franklin Cubs, although losing by a wide margin, pick up some yardage on this play before being stopped by guard Buryl Line.

The team closed their home campaign with a 19-0 defeat at the hands of the Southport eleven. This marked the first time that the two teams had met on the gridiron.

FOOTBALL WINDUP

Columbus, suffering from the loss of players due to injuries and ineligibilities, lost to West Lafayette by a score of 21-0. With the exception of a few bad plays, the Dog's defense was near perfect during the final game of the year. These few plays, however, resulted in long runs and touchdowns for the Red Devil outfit.

Bob Hilycord, Coach Johnson, and Charles Lentz.

Honors to the Bulldog players this year were many, as Bob Hilycord gained a third team position on the United Press All State Team, and with Charles Lentz making Honorable Mention. Bill Taggart, a tackle, also gained the same honor as Lentz on Heze

Clark's wonder team. Four other local grid-ders, along with Lentz and Hilycord, were placed on the South Central Conference team. These were Jack Voelz, end; Buryl Line, guard; Earl Chaney, tackle; and Don Burns, halfback.

Row One: Jim Foulke, student manager; Jack Voelz, Bill Taggart, Don Lister, Bob Hilycord, Buryl Line, Earl Chaney, Ed Zeigler, Mr. Robert Johnson, coach.

This year's squad saw the return of fourteen lettermen. After the season there were four, three year men: Hilycord, Line, Chaney and Lentz. Two year men were, Lister, Taggart, Zeigler, Voelz, Kelly, Rutan, Burns, Dietz, Shepherd, and Newsom. Van Wye and Summa received their letters for the first time. The nucleus of next year's team should be Burns, Newsom, Yeley, Van Wye, Bill, Hilger, Summa, Sweeney, Bob Wendel and Jim Wendell.

JUNIOR VARSITY

Top Row: Keith Seal, George Gossett, Bob Tomlinson, Tom Webb, John Ortlieb, Hilman Studler, John Howe.

Row One: Bill Meyer, student manager; Harold Hogue, Roger Anderson, Dick Drake, Dick Wright, Don Meyer, Bob Buckner, Clarence Hamilton, Jerry Denny, student manager.

The junior varsity gave a showing of things to come with their good record for the season. Several boys showed promise; among these few are Paul Martin, Harold Hogue, Dave Scott, and Bob Buckner. On these boys, the success of next year's team might depend. Mr. Gerald Quilleon is the guiding coach of the junior varsity.

THE FROSH

Top Row: Brooks Ortlieb, Bob Hulse, Gary Reece, Ronnie Pence, Joe Swope, Dick Martin, Jim Lentz, John Grady.

Row One: Bill Shafer, student manager; Alvin Barr, Tom Moore, Glenn Blancett, Duane Skinner, Randy Bridges, John Welch, Albert Jeffries, Mr. Raymond Scott, coach.

The freshmen continued the winning ways of their big brothers on the varsity and junior varsity. Three of the freshmen were promoted all the way to the varsity for the varsity's last game at West Lafayette. These boys were Ronnie Pence, Joe Swope and Gary Reece. They were coached by Mr. Raymond Scott.

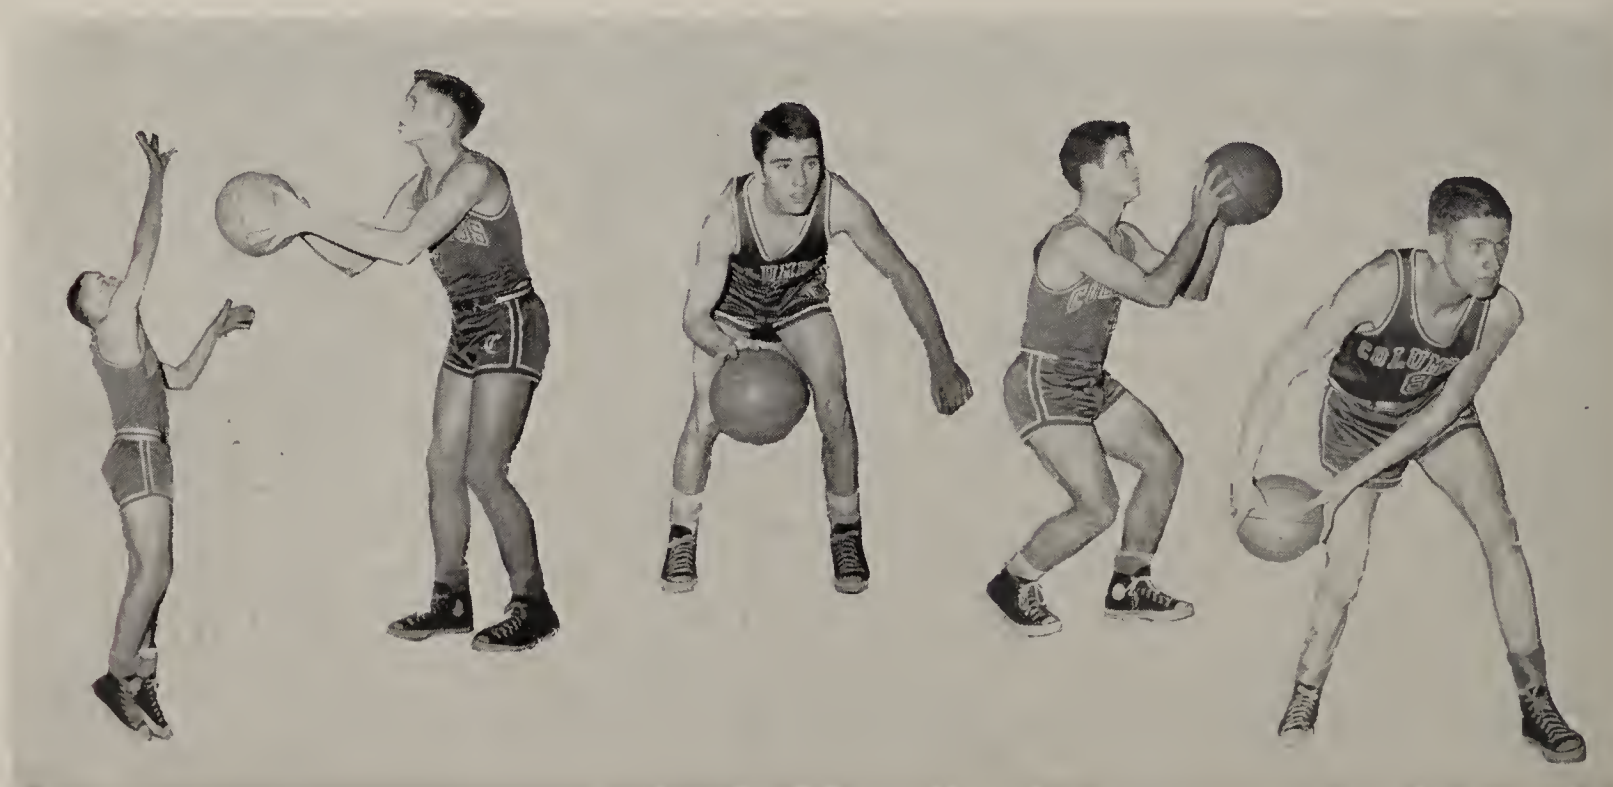

PLAY BALL!

A fine example of the rivalry between Columbus and Shelbyville was displayed in the jumping ability of the Canine's Don Scheidt and Shelby's Jim Garrett.

This year's team was composed of veterans of the basketball court. Many of them, playing together since grade school, have made a very impressive record in their Freshman, Pup, and Dog work. One of the forward positions was filled this year by Lewis Essex,

a point getter all season. The other forward spot was taken from the first to the last game by Buryl Line, a beacon on defense. The center position was filled by 6 foot 4½ inch Don Scheidt. Don was a much improved rebounder and point maker.

CAGERS FIGHT HARD!

Fighting in a typical Hoosier basketball game is Franklin's Ed Parsley and Dick Fisher. Defending Columbus's rights on this play is center Don Scheidt.

The two guard positions were filled by Hugh Newsom, the leading scorer of the team, and Charles Lentz, a great all around ball player. Much credit is also due to the reserve strength in Bob Adams at center and Norval Sweeney at guard, both of whom did a great job all season.

The remaining trio composed of Bill Moore, Ross Higgins, and Ed Yeley were dependable when called upon and should occupy the starting berths on next year's starting five.

VARSITY NOTES

The Canines came through this year with a highly successful season under the helm of Coach Jim Beers.

During the regular season, the Dogs score 766 points to the opposing teams' 768.

This year's scoring was nip and tuck until the few remaining games when Junior guard Hugh Newson plunged ahead, ending up with 162 points in regular season play. Following Newsom were Don Scheidt and Lewis Essex.

The Dogs got off to a good start in the sectional by defeating Waldron 54-37 and Boggstown 53-42. They lost out in the semi-final round Saturday afternoon when a terrific Fairland five trounced them 62-55 and went on to win the Sectional. The Canines played a hard game but just couldn't keep up with the veteran shooting team.

Coach Jim Beers will lose four of his first five and two reserves but will have added power in the four remaining players and the Pup team.

THE PUPS

The Columbus second team Bullpups finished this season with a 11 won and 6 lost record. They accumulated 551 points to their opponents 446 during the regular season.

The Pups this year consisted of a sophomore aggregation led by Ed Yeley, a stellar center whose great playing ability won him a berth on the Bulldogs the last three games of the season. Ed's pivot shooting and rebounding was one of the highlights of the campaign.

Others on the Pups were one junior, Kenneth Wilkerson; nine sophomores, Bob Sweeney, Dave Scott, Charles Stearns, Dick Wright, John Howe, Alva Miller, Bob Summa, Jack Bennett; and two freshmen, Ronnie Pence and Dick Donnell, both of whom graduated from the frosh team in mid-season.

The hard work that these boys have spent in practicing and training will help to assure us of a good future Canine team.

THE TERRIERS

Coach Raymond Scott's freshman team enjoyed one of the most successful seasons of its history. Winning 16 out of 17 games, the Frosh established a fine season record. Ronnie Pence and Dick Donnell carried the brunt of the offensive in the early season games. Midway in the season, these boys were moved up to the Pups, and Coach Scott soon developed a smooth working quintet consisting of Gary Reece, Joe Swope, Jim Lentz, Eli Eddy and Russell Henney.

In reserve were Ted Piercefield, John Welch, Herbert Stiltz, Brooks Ortlieb, John Spicer, John Hogue, Robert Paris, Lynn Schwartzkopf, and Marshall Whipker.

The local Terriers posted 690 points to their opponents' 404 for an average of 40.58 points per game to an average of 23.76 points for their opponents.

INTRAMURAL BASKETBALL

This year we have had a highly contested intramural basketball league. The top four teams were City South East, with a 9-1 record; City North, 8-2; City South West, 8-2; and Sandcreek, 7-3. Bob Fuller, Maurice Bush and Jesse Eudy were the leading scorers of the season.

The games are played during the fourth period under the supervision of Mr. Frank Newson, Mr. Glenn Adams, and Mr. Raymond Scott. Intramural extends to each boy in school an opportunity to participate in organized competitive basketball.

Martha Ann Dickey, intramural reporter for the Triangle, is seen at the gym each noon recording the events to be featured in her weekly column.

A typical action picture of an intramural contest.

BASEBALL PREVIEW

As spring approaches, the Canines are unleashed and are seen trotting out to the old ball park.

After a year of absence, Coach "Woody" Fleming is back at his old position as head mentor of the baseball aggregation and is looking forward to a very successful campaign this year. When we look deeper into the varsity, we can see why. Coach Fleming has seven veterans back from last year's squad. They include seniors, Jerry Bray, Dick Shepherd, Harold "Pokey" Gould, and Jerry Lind; juniors, Bob Buckner, and Roy Schwartzkopf; and sophomore, Dick Wright.

As the Ump yells "Play Ball!", batter and fielders take their places, and another baseball season is on for the Columbus Bulldogs.

GOLF

Coach Glenn Adams, Charles Lentz, Ronnie Hornback, Jack Waltermire, and Bob Hilycord.

TENNIS

This year's team displayed their superiority over all comers. Ross Higgins won the South Central Conference singles championship for the second straight year. Don Meyer and Hugh Newsom combined talents to take the doubles crown. Runner up to Higgins was Ned Whalley, making it a clean sweep for Columbus. Don Meyer, Hugh Newsom, and Ross Higgins will all be back next year.

GOLF

Bob Hilycord, Charles Lentz, Jack Waltermire, and Ronnie Hornback make up this year's outstanding golf squad. They have been victors in ten out of eleven matches—their only loss was to Batesville, whom they beat in a return match. They picked up valuable points on the All-Sports Trophy by winning first place. Bob Hilycord was low medalist with an 81. Alternate David Goeller took the alternate's crown with an 83.

TRACK

Again Columbus was on top of the heap in conference athletics. This time the track boys came through on the cinders at Rushville. Martinsville was originally declared the winner, but a month later they were found to have a 20 year old on the squad, against the rules of the I.H.S.A.A. Coach Quilleon's boys were on top in 7 out of 10 dual and triangular meets. They won fourth place in the sectional track meet at Bloomington.

CROSS COUNTRY

Coach Jim Beer's cross country boys were undefeated in dual meet competition this year. In cross country, like golf, the team with low score wins. One point is given for first, two points for second, etc. Only the first five men of each squad count in the scoring. Bill Settle came in first at most meets, and Lewis Essex was never far behind. Settle was second in the sectional meet and placed the highest of any junior in finishing 21st in the state.

BOYS' PHYSICAL EDUCATION

Twice a week the boys of CHS journey over to the gymnasium for a subject called physical education. They are met there by Mr. Frank Newsom, who does much in trying to build up the muscles of our men of tomorrow.

Twice a week the boys take this little trip, for physical ed. has two parts, swimming and floor work.

In swimming class the boys learn to swim, as well as learn new strokes. The diving board is also put into much use by the classes.

In "gym" the muscles really go to work in such events as tumbling, basketball, and volleyball.

BASKETBALL

This is a typical girls' basketball class scene. It is a popular activity which provides pleasure and recreation for all who participate.

BOWLING, DECK TENNIS

The bowling club meets every Tuesday after school at the Recreational Alley. They greatly enjoy this hour of fun. . . . This year Martha Ann Dickey and Joy George won the deck tennis tournament which all high school girls may enter.

THE FEMININE SIDE OF SPORTS

Although in the past the spotlight of attention has never focused too much on girls' sports, each year finds them claiming a larger portion of recognition. Basketball and volleyball are considered major sports; gymnastics, tennis, bowling, swimming, and folk dancing are also quite popular.

The Girls' Athletic Association, sponsored by Miss Euzetta Foster, meets every Monday night at the gym. The girls have formed two basketball teams which play among themselves and also play out of town teams. Bonnie Reece is as deadly accurate on long shots as Hugh Newsom, and Annie Dickey is as speedy and tricky as Charlie Lentz. The will to win the game is always there.

The girls also participate in Play Days.

This year the annual get-together was held at Seymour, with girls from Columbus, Shelbyville, Franklin, and other schools attending. This not only gives the girls an opportunity to become acquainted with girls from other schools, but it also helps them to develop a sportsmanlike attitude toward all things.

An intramural class tournament is held annually by the girls. This year the senior girls' basketball team came through to win the championship title for the second consecutive season by overthrowing the sophomores by a 32 to 9 margin. The senior girls also captured the volleyball title for 1950 by defeating the juniors 21 to 2 in a rough and tumble game. The seniors have retained this title for two consecutive years also.

To market, to market, to buy a fat pig . . .

The members of the staff wish to thank all the merchants and industrialists in Columbus who have given their full support to the successful production of our 1950 storybook.

Dear Barb! or Penny!

You're really a swell kid and I hope you always stay that way. You are the best friend I have ever had. Don't ever go away. I'd really miss you. We've had our ups and downs but I'll have to admit it has really been loads of fun. I hope we can have lots more fun just like it.

Always remember Marshall, as if you could forget. Don't forget the post and the old Cherry. (Marshall's that is) We sure had fun in it didn't we. Oh! yes remember his hair too and when we got flowers for your Botany. As Bobbie said don't forget the fads.

Something else to remember is the time we went to Chardonago with Dwight and Ed. We went to the Porkmore and got something to eat and when we got home it was almost 4:00 A.M. You were afraid your mother would be mad so you wanted me to stay all night with you to help explain.

Remember the time we didn't want to go to ~~go~~ bed so we sat out on the step and about 11:00 P.M.

Love
Barb

Jim come around and we went riding with him. That was the night he ask you if I was still 13. Also you couldn't even remember what the guy looked like that you were with (this was another night.) The night I promised him I'd send him a rabbit for Christmas (I never did do it) I think he only wrote to me once after he left.

Oh yes! You mustn't forget the time you and Corole and I went to Brown County with Jim D. & Omar and Jim M. We went to Nashville afterwards and got grape pop and holdups. I don't when we were all suppose to say we wanted to ask them something and then kiss them on the cheek. But I backed out at the last moment.

I don't forget gravel pit and yes we had when swimming out there gang. (You should know he gone.)

Don't forget the Standard filling station across the street from your house.

Don't forget the night we went to the shine in with Dick & Bob. Also the time we went with Johnny and Corole & Sarah to Seymour. There are still loads more things I want you to remember but I don't seem to have enough room to mention them all so.

Petersville all the time we went with all the who I mean by

Best of all
Tom

Take care of yourself.

Love & John
